EXPERIENCE

Marketing Program Manager
Microsoft

Jun 2023 – May 2025
Redmond, WA

- Directed a 6-person vendor and development team managing 5,000+ annual field requests, ensuring consistent SLA adherence across global marketing programs
- Raised CSAT to 4.9/5 and drove a 30% YoY improvement by optimizing intake workflows and strengthening field engagement processes
- Owned Azure DevOps sprint planning, converting stakeholder priorities into actionable backlogs and improving delivery predictability
- Led weekly cross-functional ROB meetings to track milestones and resolve blockers, accelerating execution across marketing, engineering, and operations
- Developed executive-ready reporting on program health and field trends, supporting data-driven decisions and escalating critical issues to minimize business disruption

Integrated Marketing Program Manager
Microsoft

May 2022 – Jun 2023
Redmond, WA

- Led cross-functional marketing initiatives that improved partner engagement and accelerated time-to-market for key campaigns
- Executed scalable marketing programs aligned with business priorities, resulting in measurable pipeline growth
- Streamlined reporting processes using Power BI, enabling real-time insights into campaign performance and ROI
- Collaborated with sales and engineering teams to align messaging and drive adoption of new cloud solutions
